

Comcast

Fresno County Business Award

4th Annual "Risk Takers, Dream Makers" Awards Luncheon

Comcast's California region serves more than 2.4 million customers with more than 7,000 employees from the local community. The local Fresno office serves large portions of the San Joaquin Valley including Fresno, Merced, Visalia and Tulare. Providing Digital Cable, High-Speed Internet, High-Definition Television (HDTV) and Comcast Digital Voice home phone service, Comcast Cable is a division of Comcast Corporation, the nation's leading provider of entertainment, information and communications products and services. Comcast is committed to giving back to the communities it serves by spending more than a million dollars each year in Central California on sponsorships, college scholarships, foundation grants and other forms of support that help keep our neighborhoods strong. www.comcast.com
